THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) and (b) No, Sir. No reorganization of Naturopathy has been done. However, Naturopathy has been recognized by the Government of India as one of the six Indian Systems of Medicine and Homoeopathy. There is already a separate 'Department of Ayurveda, Yoga and Naturopathy, Unani, Siddha and Homoeopathy (AYUSH)' for the promotion, propagation and development of these Indian Systems of Medicine and Homoeopathy including Naturopathy.

(c) and (d) Registration of Naturopathy and Yoga practitioners is being done in States like Andhra Pradesh, Karnataka and Tamil Nadu by their State Boards of Indian Medicine. Instructions have been issued to all the States to evolve a regulatory mechanism for regulating the practice of Yoga and Naturopathy.
